

THE SEE TO LEARN FOUNDATION

The See To Learn Foundation continues to work toward providing educational resources to individuals regarding eye and vision health. The Foundation has been able to make a difference in the lives of children through grants for blind and low vision services in conjunction with the Kansas State School for the Blind and Assistive Technologies for Kansans, as well as partnering with the Kansas Optometric Association to host the annual Children's Vision and Learning Conference. The Foundation needs your help to build on these successes.

Please consider giving to the Foundation.

To make a donation, please complete and return this form.
If you would like to establish an annual contribution or other donation,
please contact donate@seetolearnfoundation.org.
